TECH INFUSED LEARNING

ZOOM

Zoom is for virtual classes, group projects, office hours, or friendly gatherings. Go to **www.washington.zoom.us** and

PANOPTO

Panopto is used to record classes or assignments for you to review outside of class. Access them in your course's Canvas site.

CANVAS

Canvas offers a variety of tools to deliver course material and communication between instructors and students.

itconnect.uw.edu/learn/tools/canvas/canvas-help-for-students/

ADA TECHNOLOGY

Students with accessibility needs can use computers located across campus.

tacoma.uw.edu/uwt/it/ada-computers

Assisted listening capabilities are available in a majority of rooms on campus. Contact **tacmedia@uw.edu** to learn more.

For other accommodation considerations, please visit Disability Resources for Students (DRS) at:

SET UP FOR SUCCESS

✓ UW Net ID

Need to setup your UW NetID?
uwnetid.washington.edu/newid

✓ 2 Factor Authentication (2FA)

Adds a laer of security. First you enter your Net ID password, then use a 2FA device to prove it's really you.

itconnect.uw.edu/tools-services-support/access-authentication/2fa/

✓ Email Set Up

All students must use UW google or UW Office 365 email for all university email communications. (Nursing & Healthcare Leadership must use UW Office 365)

tacoma.uw.edu/it/email

✓ Computer Network Login

You must be registered for classes and have UW email activated to receive a network login.

Username = yournetid@tacoma.uw.edu
1st password = student number (no leading zeros)

✓ My UW Portal

This tool allows you to register for classes, access grades, transcripts & financial aid, your library account, class schedules and more.

my.uw.edu

✓ My Plan

This tool allows you to build your schedule by finding and adding courses to any quarter.

myplan.uw.edu

✓ UW Cloud Storage

UW Onedrive for Business & UW Google Drive
