Meeting Date	Time	New program proposals, program changes, and curriculum must be received by	Deadline for Seattle Curriculum Committee	Seattle Curriculum Meeting Date	Quarter for Course Changes without memo of responsibility
5/9/2013	12:30-2pm	4/25/2013	6/3/2013	6/19/2013	
6/6/2013	12:30-2pm	5/23/2013	7/1/2013	8/21/2013	
Summer TBD					

DATE:

TO: Executive Committee (EC) of the Faculty Assembly

FROM: Academic Policy & Curriculum Committee (APCC)

RE: Faculty Oversight of Academic Units

The APCC recommends that the EC adopt the following policy to ensure that academic units that set admissions requirement, develop and manage curriculum, or set graduation requirements have appropriate faculty oversight. This faculty oversight should be long-term, have expertise appropriate to the unit, and be faculty who have voting status in an academic program.

Suggested policy:

Any academic unit that has responsibility for setting admissions requirements, developing and managing curriculum, or setting graduation requirements (hereafter referred to as “the unit”) must have a permanent council of faculty.

This council must consist of faculty who:

- are voting faculty in a UWT program;
- have expertise in the area(s) of importance to the unit; and
- are permanently affiliated with the unit (OR 5 year commitment?)

The council of faculty from the unit will propose and receive approval from the Academic Policy and Curriculum Committee.

ALTERNATE WORDING: The unit faculty council must be approved by the Academic Policy and Curriculum Committee.
